Northwest Aquatic and Marine Educators Summer Conference

July 20-24, 2015
University of Washington - Seattle, WA

We’ll be celebrating 40 years of NAME this summer! Educators, researchers, students, and resource professionals from Washington, Oregon, Alaska and British Columbia are invited to meet, learn, share, and socialize. Conference will include presentations, workshops, field trips, and a poster session. Registration opens in April.

Conference Strands
- Diversity / connecting cultures and communities
- Innovative teaching, research and restoration
- Urban watersheds
