

NORTHWEST AQUATIC & MARINE EDUCATORS

Our membership comprises teachers, informal science educators, environmental educators, and students from many different locations throughout the Pacific Northwest. You can become a member of NAME and also join the National Marine Education Association at the same time.

Benefits of NAME membership:

- Opportunities to learn, share and network with other marine and aquatic educators
- Reduced registration to attend conferences
- Eligibility for NAME mini-grants and conference scholarships
- Subscription to NAME's newsletter, Scuttlebutt
- Access to NAME's very popular "Flash Mail" for items of interest such as regional workshops, aquatic science news, and job opportunities
- Participation in NAME workshops and field trips throughout the northwest
