## Connecting Environmental Educators

— solutions, ideas and resources to restore our world —

Planning is underway for our 20th anniversary! Join us for an exciting day of networking, learning, and sharing for NW Washington environmental educators. We especially welcome classroom teachers to join us. Learn about resources for your classroom, discover brand new or time-tested programs, and meet the many informal educators in your community.

Come to Maple Hall on January 24 prepared to be challenged, informed, stimulated and fed. (Lunch is free!) Meet with old and new friends and hear from the movers and shakers of Environmental Education in the North Sound.

Lunch is provided, with local, wholesome, mostly organic food.

**Teachers:** Free clock hour credit. Apply for substitute reimbursement (application on reverse), or contact Britta Eschete, [Britta.Eschete@wwu.edu](mailto:Britta.Eschete@wwu.edu).
