

# NAME

NORTHWEST AQUATIC & MARINE EDUCATORS

## Auction Donation Form

**“Educating for Sustainable Seas: Diving into the Ocean Decade”**

August 16-20, 2020 · Metchosin, BC

The annual NAME auction is one of the highlights of the conference...a chance to have fun, bid on unique aquatic-themed items donated by NAME members and local businesses, and raise money for our mini-grant and scholarship fund! All of the funds raised at our annual silent and live auction go to support educators with scholarships and mini-grants to help them share the wonders of the world of water.

Have an auction item to donate? Fill out the form below and submit it with your item. For more information about donations, please contact our auction chairperson at [auction@pacname.org](mailto:auction@pacname.org). Here are some ideas for great “aquatic” auction items: jewelry; outdoor gear; any and all crafts/artwork; gift certificates for whale watching, fishing trips, bird watching, cabin/hotel/motel accommodations, or guided outdoor trips. There may be treasures in your attic just waiting for the NAME Auction! Solicitation of auction items on behalf of NAME is highly appreciated. You can learn more about our organization at [www.pacname.org](http://www.pacname.org).

Be fun creative and unique! If you have any questions contact [auction@pacname.org](mailto:auction@pacname.org).
